THE AIMS OF CHRISTMAS CRACKER

Christmas Cracker is designed to:

1. Motivate and challenge young people to give their time and energy to work for others.
2. Provide a project worthy of the energy and enthusiasm of young people.
3. Provide resources for developing countries and the world's poor.
4. Teach young people organisational, managerial, marketing, accounting, communication and other skills.
5. Enable different sections of the community and church to work together, raising the profile of the church in the community.
6. Teach young people how to interact with the public in a business.
